

Advanced Font Rendering Test PDF

This paragraph is written in Helvetica, a clean and modern sans-serif font.

This line uses Times New Roman, a traditional serif font often used in documents.

This line is in Courier, a monospace font that mimics typewriter text.

Here we have Helvetica Oblique, an italicized version of Helvetica.

This line is in Times Bold, giving it a strong serif presence.

Courier Bold gives a classic tech/terminal aesthetic.

This line mixes bold and italic for Helvetica-BoldOblique.

Times Italic offers a traditional and formal slant.

Courier Oblique gives the monospaced style a dynamic slant.

Now a mixed font paragraph for testing:

Modern classic monospace **bold** *elegant technical smooth.*
